

Education Brochure 2013

Park View School Birmingham

Nationwide Interiors is a trading style of **Nationwide Joinery Contractors Limited**

Introduction

From our establishment in 1975, we have steadily grown and developed a solid reputation for working in partnership with our clients and completing projects on time and on budget whilst demonstrating the strictest standards of safety and craftsmanship.

We employ an experienced and highly motivated management team and workforce and work to a model that has given the company a long history of successful contracts in the joinery and fit-out sectors.

Our client base covers both the private and public sectors in education, health, commercial, retail, residential and industrial. Familiar with all forms of contract, we have undertaken projects including traditional tendering, PFI, Design and Build and Management Fee Contracting.

We have completed a number of challenging projects for clients on across the UK including Lend Lease, Sir Robert McAlpine, BAM, Morgan Sindall, Balfour Beatty & Willmott Dixon with values ranging between £250,000 to over £4,000,000.

Our Capabilities

Fast Track Fit Out

From detailed planning to post-contract care, our aim is to utilise our industry knowledge and experience to deliver our clients a snag free project, on time and within budget.

With our sterling reputation for completing projects to exceptional quality, we have been involved in the turnkey delivery of prominent buildings from schools and hotels to offices and residential buildings.

We have considerable experience in working in occupied buildings and decanting staff, providing careful programming and scheduling, ensuring our client is able to carry out “business as usual” and essential services are maintained.

Refurbishment & Modernisation

We are fully capable of carrying out works to upgrade and modernise or to change the function of a building using the most efficient, sustainable and cost effective technology available, giving our clients complete peace of mind.

Our Management Structure

With over 35 years of successful trading under our belt, we believe that our employees are our greatest asset and can provide every project with a full complement of permanently employed operatives, supervisors, managers, contracts managers and surveyors.

We have found that our approach to the employment, on-going training and retention of our highly skilled workforce, we maintain an enviable list of satisfied clients and contractors and have the control over quality, delivery and cost that companies with a sub-contracted workforce can't offer.

Our staff retention is one of our proudest achievements, with over 80% of our staff being employed within the business for over 10 years and 35% of that figure having spent over 20 years working at Nationwide. Throughout this time we have completed many complex and challenging projects, including some very high profile "landmark" schemes, giving us an unprecedented and invaluable knowledge bank.

DETAILS

**Project: Sir John Thursby
College**

Client: Lend Lease

Role: Fit-Out

Value: £2,200,000

Nationwide Interiors were awarded the complete internal fit-out on this new build college which included a large amount of bespoke custom made features, ensuring that this project really stands out in our education portfolio.

Our awarded package consisted of the supply and installation of door, casing and ironmongery sets, glazed and folding screens, shaped laminated wall protectors, skirting boards, architraves, IPS panelling, service pat tresses, fire extinguisher mounts, toilet cubicles, mirrors & other wet-room fixtures and fittings such as bench seats and lockers.

Our performance and synergy with the main contractor and end client on this particular project was the key driver behind us being awarded a further 8 Lancashire BSF schemes.
