

Dudley Hospital
Dudley

Description

Nationwide Interiors were awarded the fit-out package on this ultra-modern newly built hospital in Dudley, West Midlands.

Our awarded package consisted of the supply and installation of over 2,500 fully finished paint grade door sets, frames and ironmongery, architraves, skirting boards, window boards, reception counter tops and staff bases.

We also carried out the dry-lining, partitioning and an extensive suspended ceiling package utilising hygiene tiles and grid, all installed to high specification and conforming to the strict medical parameters set by the end client.
