

Arndale Centre
Manchester

Description

Nationwide Interiors were awarded the fast track fit-out of the extension to Manchester's Arndale Centre, incorporating a small food court, entrance and a 'Next' store.

Our internal works comprised of the supply and installation of feature oak wall panelling, counter tops, veneered door sets, bumper rails and internal furniture, fixtures and equipment.

The success of this particular, high profile project has aided Nationwide Interiors to achieve a "preferred supplier" status with this client.
